9). Merely because an attender helps in demonstration or looks after the equipment it does not mean he should be treated as an executive officer. Even in laboratories in Colleges where experiments are conducted attenders set up the apparatus of highly technical experiments much more quickly than a professor or an Asst professor. This does not mean that the attender should be classified as an executive officer. At this rate peons & clerks attached to Executive officers have to be classed as executive since in many cases they also help in Jamabandi or collection work.

DEVELOPMENT DEPT. 26 23 JAN 1954 Secretariat Government of Mysore

To

The Secretary to Government,
Development Department,
Bangalore.

Sir,

Sub:- Appointment of an Attender at the Government Industrial School, Chickballapur.

I write to state that the post of an Attender has been tached to the Weaving Section of the Government Industrial School, ickballapur, to assist the Weaving Instructor of the School in his executive work. But, on filling up the vacancy of the above Attender, the Accountant-General, Mysore, Bangalore, enquired whether any orders of Government, exempting this Department from the operation of the Economy Order No.E.1118-218/R. & P.S. 11-52-2, dated 20-4-52 have been obtained or whether orders of Government have been obtained for considering the post as an executive one.

I pointed out to the Accountant-General in my letter of even number dated 4/7-9-1953, that the Public Service Commission had accepted the post of Attender, Government Industrial School, Chickaballapur, was that of an 'executive' one (vide this office letter of even number dated 3-10-1952 - copy enclosed), that accordingly the vacancy was notified in the Mysore Gazette and that a candidate has also been selected to the post out of the 2 applications received through the Public Service Commission. Still the Accountant-General persists on furnishing the authority for having treated the post of Attender in question as Executive.

In this connection, I write to state that the post of Attender sanctioned for the Weaving Section of the Government Industri School, Chickballapur, and the duties of this official are executive in character. He has to assist the Weaving Instructor in the execution of the weaving work and he has nothing to do with regard to the ministerial work of the school. Frequently he will have to see to the maintenance of the equipment as well as to keep on demonstration, etc. I therefore request you to kindly obtain early sanction of Government treating the post of Attender of the Govt. Industrial School, Chickballapur, as an "Executive" one, as accepted by the Public Service Commission also and communicate the same to me. In this connection, I may state that when the nature of the duties and the classification had been furnished by this office to the Accountant-General, it should have been accepted. The Accountant-General is not the proper authority to appreciate the duties and work of a member of the Weaving Section staff and assess as to whether he is an "Executive" or 'Ministerial' employee.

Yours faithfully,

(E.V. GANAPATI IYER)
DIRECTOR.

Copy of letter No.E-23/52-53, dated 3-10-1952, from the Director of Industries and Commerce in Mysore, Bangalore, to the Secretary to the Mysore Public Service Commission, Bangalore.

The Government Order No.E.1118-218/ R. & P.S. dated 20-4-52, restricts the appointment of Attenders coming under the Ministerial cadre. But, the post of Attender which has now been reported for advertisement is the one sanctioned for the Weaving Section at the Government Industrial School, Chickballapur. This Attender is not meant for ministerial work but to assist the Weaving Instructor of the school in the executive work. As such, the Government Order dated 20-4-1952 does not apply to the post of Attender under disposal and hence the vacancy may kindly be advertised, at an early date, so as to enable filling up the place, as the work in the Weaving Section at the Government Industrial School, Chickballapur, is handicapped to a great extent for want of an Attender.

Sir,

Subject: Appointment of an Attender at the Government Industrial School, Chickballapur

---

With reference to your letter No. I 75 dated 7-4-1954 on the above subject, I write to state that the nature of the duties assigned to the Attender of the Government Industrial School, Chickaballapur are
